

MD TAMIM RUBAIYYAT

Responsive web Designer

About Me

Hello, I am Tamim Rubaiyyat Khan and I have the skills of data entry, pdf conversion, etc. And I can help out with its projects...still learning more to develop my skill. My main motive is to work accurately, efficiently, and professionally. Reaching up to the expectations of Clients as a Freelancer client satisfaction is my goal to succeed. I look forward to working with you not only at once but also in the future.

Regards Tamim.

Thank you.
